

EAGLES IN THE COMMUNITY

As proud Philadelphians who take their responsibility to the community seriously, the Eagles believe there is no offseason to good citizenship.

Since Jeffrey Lurie became owner in 1994, the Eagles have generously contributed more than \$25 million in charitable giving to organizations and neighborhoods throughout the Greater Philadelphia region. Under Lurie's direct leadership and guidance, the Eagles continue to strengthen and support these organizations through joint effort partnerships, all based on the belief that strong non-profits build strong communities.

The Eagles host a variety of events and campaigns that aim to inspire, motivate and educate. As a professional football team, the Eagles have a unique platform to reach the community and have long-lasting effects.

The team takes great pride in serving the fans, local non-profits and the region at large, because to the Eagles, making the Delaware Valley proud is just as important off the field as it is on it.
